

## Ground Transportation Instructions, ISHPSSB 2009

### Airport to Emmanuel College, St Lucia (Conference venue and dorms)

Take the Airtrain from the airport (it has stations at both the international and domestic terminals) to Central Station. The trip is \$12 one-way; children travel for free. It will take approximately 25 minutes. For the remainder of your time in Brisbane it will be most convenient to purchase a “Go Card” at Central Station. There is a \$10 refundable deposit to obtain a Go Card after which you can charge this card with whatever amount you like and it will work across the entire Brisbane public transport system – bus, train and ferry. Unfortunately, Go Cards are not sold at the airport.

From Central Station you can catch a taxi or there is a convenient local bus. To find the bus take the southern exit and head for Adelaide St, the main bus interchange. From the Station, take the walkway past Anzac Square (this is a park with statues on your left). Taking this pedestrian route, you will have walked over Ann St, finishing up on Adelaide St. Walk down the stairs on the far side of Adelaide St, turn right, and take a short walk to Stop 40.

For an alternative route that sticks to the streets turn right out of southern exit down Ann St (see Fig. 1). After 100 m, turn left onto Edward St. After another 100 m, turn right on to Adelaide St. A short walk down Adelaide St will bring you to Stop 40.

From Stop 40, take Bus 411 to the University of Queensland. Swipe your Go Card (or pay the driver) to go to the Chancellor's Place bus interchange at the University of Queensland. The trip will take approximately 25 minutes. On arrival, walk approximately 300m down Upland Road to Emmanuel College (see Fig. 2). The main entrance to the College is on Sir William Macgregor Drive.

### **Airport to Inchcolm Hotel (Downtown hotel)**

Take the Airtrain from the airport (it has stations at both the international and domestic terminals) to Central Station. The trip is \$12 one-way; children travel for free. It will take approximately 25 minutes. For the remainder of your time in Brisbane it will be most convenient to purchase a "Go Card" at Central Station. There is a \$10 refundable deposit to obtain a Go Card after which you can charge this card with whatever amount you like and it will work across the entire Brisbane public transport system – bus, train and ferry. Unfortunately, Go Cards are not sold at the airport.

From Central Station, take the Wickham Terrace exit. At the top of the subway turn right. The Inchcolm is approximately 150m down the road on the left (73 Wickham Terrace).

If you take the wrong exit and end up on the southern side of the train station, turn left down Ann St (see Fig. 3), then left again on to Creek St. Follow Creek St as it bends to the right. This will bring you its intersection with Turbot St and Wickham Terrace. The Inchcolm will be just on your left on Wickham Terrace.

### **Inchcolm Hotel to Emmanuel College:**

Turn left out of the hotel. Cross the road at the nearest traffic lights. This will bring you to the bus interchange Wickham Terrace A. From Stop 158, take the 411 bus to Chancellor's Place at the University of Queensland, St Lucia. On arrival, walk approximately 300m down Upland Road to Emmanuel College (see Fig. 2). The main entrance to the college is on Sir William Macgregor Drive. Buses are frequent, and timetables can be downloaded at:
